Cone Zones for the week of Sept. 25, 2006

Online cone zones map - <http://www.boulderconezones.net/>

Whether driving, walking or bicycling, caution is strongly encouraged throughout all work zones.

Central Boulder/CU:

Broadway lane closures

The following impacts are anticipated along Broadway, between University Avenue and Regent Drive, from 7 a.m. to 4 p.m. Monday, Sept. 25 through Monday, Oct. 2, while crews work to repair several crosswalks:

- Broadway will be reduced to one lane in both directions between University Avenue and Regent Drive;
- Intermittent lane closures will occur on the following streets near their intersections with Broadway: University Avenue, Pennsylvania Avenue, Euclid Avenue, Regent Drive, 16th Street and 20th Street;
- East-west through traffic will be prohibited on 13th Street, 17th Street, and Aurora Avenue during work at those intersections; and
- Pedestrian and bicycle traffic may be detoured to adjacent paths and sidewalks while repairs are being made.

Information: Noreen Walsh, (303) 441-3266

Lane closures on 28th Street and Arapahoe Avenue

Beginning next week, daytime lane closures can be anticipated in both directions on 28th Street between Arapahoe Avenue and Taft Drive, and Arapahoe Avenue will be reduced to two lanes in both directions at the intersection with 28th Street. The closures are necessary while crews work on a street resurfacing project. This project is expected to be completed by late October.

Information: Noreen Walsh, (303) 441-3266

Xcel Energy to close lanes on Baseline Road

Intermittent lane closures can be expected in the outside lane in both directions on Baseline Road, between U.S. 36 and Broadway, from 8 a.m. to 4:30 p.m., weekdays until Friday, Sept. 29. The lane closures are necessary while crews from Xcel Energy work on a utility relocation project in preparation for the Baseline Road and 27th Way Underpass and Transportation Improvements Project, which is scheduled to begin later this fall.

Information: Noreen Walsh, (303) 441-3266

Alley closed for electrical work

The alley between Pearl and Spruce streets and 15th and 16th streets will be closed from 7 a.m. to 4 p.m. until Friday, Sept. 29. The closure is necessary while crews from Xcel Energy work on underground electrical cables and gas lines.

Information: Mike Hixon, Xcel Energy, (303) 210-3411

West Boulder:

Sixth Street closed between Arapahoe Avenue and Canyon Boulevard

Sixth Street between Arapahoe Avenue and Canyon Boulevard will be limited to local traffic and Justice Center visitors only, 24 hours a day, Thursday, Sept. 28, through Sunday, Oct. 1. In addition, pedestrian and bicycle traffic on 6th Street will be detoured to the west side of the street between the Boulder Creek Path and the Justice Center parking lot. The closures and detours are necessary while crews from Xcel repair a valve on a gas main.

Information: Tom Marks, Xcel Energy, (303) 938-2279

North Boulder:

28th Street and Iris Avenue Transportation Improvements Project

Traffic on Iris Avenue will be shifted to the north side and reduced to one lane in each direction from Folsom Avenue to 28th Street, 24 hours a day, for the next several months. In addition, eastbound Iris Avenue at the intersection with 28th Street will be reduced to one through lane and one through/left-turn lane. The closures are necessary while crews work to construct the Elmer's Two Mile Creek underpass and complete improvements to 28th Street and Iris Avenue. Expect delays; alternative routes are advised.

Information: Noreen Walsh, (303) 441-3266

Parking restrictions on Williams Fork Trail

Parking will be prohibited on both sides of Williams Fork Trail near Spine Road from 7:30 a.m. to 5 p.m. Monday through

Friday. Minor traffic delays can be anticipated during the same time as crews work to replace a waterline in the area. This project is expected to be completed by late September.

Information: John Mellblom, (303) 441-3178

South Boulder:

Traffic restrictions due to waterline replacement in south Boulder neighborhoods

Waterline replacement work will limit access to residents only in south Boulder neighborhoods from 8 a.m. to 5 p.m. Monday through Friday on Stony Hill Road. Local traffic will be flagged around the work areas. This project is expected to be completed by the end of October.

Information: Barbara Kenyon, (303) 441-3266

For more information, contact the city of Boulder Transportation and Utilities divisions at (303) 441-3266. All work is weather-dependent. For the latest cone zone information, go to <http://www.boulderconezones.net/>.
